Serial Nos. 1-8

GENERAL AND REVENUE SECRETARIAT.

Serial Nos. 1-8.

Part B. for August, 1912.

SUBJECT:

Revision of the establishment of the Minto Ophthalmic Hospital and the grant of local allowance to Dr. S.V. Ramaswamiengar

1. From the Comptr, no B & R 1262 & 21/29.6.11: forwards the Sen. Surgn's letter together with a proposition statement on account of the organization of the estabt of the newly Minto Ophthalmic Hospl and states that it is highly desirable that no proposal involving additional expenditure should be sanctioned unless absolutely necessary and unless savings can be effected in other directions.

2. To the Sen. Surgn, no 476 & 18.7.11: Enquires when the Minto Ophthalmic Hospital, Bangalore, is expected to be opened.

3. From Do, no. 4.106 & 11.9.11: Forwards copy of a letter from the Gen. Engr. G. P. S. 58 Gen. Engr. re the probable date of opening the Minto Ophthalmic Hospl and requests sanction to an additional grant of Rs 50,000/- during the current year so as to enable the Gen. Engr to complete the building early part

4. To Do, no. 2358 δ 21.9.11: Requests him to revise the proposition statement in the light of certain suggestions.

5. From Do, no 4.203 δ 16.11.11: States that he has satisfied himself that the staff asked for except the European section and a Head Lascar is absolutely necessary.

6. To Do, D.O. no. 5648 δ 14.2.12: Requests him to favour Govt with his opinion regarding certain retrenchments in the estabt proposed for the Minto Ophthalmic Hospital.

7. From Do; D.O. no. 63 δ 1.3.12: States that he cannot conscientiously recommend any further reduction in the proposed estabt for the Minto Ophthalmic Hospital.

8. To Do & Comptr, no. 1986-7 δ 31.8.12: Sanctions a local allowance of Rs 100/- per mensem to Dr. S.V. Ramaswamiengar, Govt Oculist, for the charge of the new Minto Ophthalmic Hospital with effect from the date of opening of the Hospital and the scale of estabt for the institution.

File No. 260-10.

FILE HEADING.

Establishment for the new Minto Ophthalmic Hospl, Bangalore.

From

The Comptroller

No. Bdk 1262 Dated 21/26.6.11 Received 28.6.11.

Diary No. 8291 | Enclos. 5 Spare Copies | Serial No. 1

BRIEF ABSTRACT OF LETTER.

Forwards in original Senior Surgeon's letter no. G 585 d 19.5.11. together with a proposed Statement of account of the organisation of the estabt of the new Minto Ophthalmic Hospital and States that it is highly desirable that no proposal involving additional recurring expenditure should be sanctioned unless absolutely necessary and unless savings can be effected in other directions.

NOTES AND ORDERS.

(1) The establishment for the new Minto Ophthalmic Hospl is reported to have been proposed so as to meet the requirements of the institution when it fully develops. To begin with the approximate recurring cost on account of the estabt comes to Rs 644 per mensem

ES—First sheet

GPB—15,000—24-4-09

Serial No.

or Rs 7728 per annum, While there will be an ~~increase~~ addition of Rs 1147 per mensem or Rs 13764 per annum to the recurring expenditure of the State when the Whole establ^h as proposed by the Senior Surgeon is ~~proposed to~~ entertained for the Hospital

2. In the marginally noted G.O^t orders Sanction was refused to the grant of a personal allow^ce of Rs 200 per mensem to Dr. Ramaswamiengar recommended by the Senior Surgeon. The allow^ce has again been recommended by Ch Surgn and included in the Proposition Statement. The necessity for an allow^ce of Rs 100 to the Lib Asst Surgeon attached to the Eye Hosp^l, Who is proposed to be designated the Resident Med^l officer of the Hosp^l has not been explained.

(11) The personal allowance to the Supdt may lie over. So also the allowance to the Resident Medical Offier, though arrangement will have to be made whereby a medical offier will have to be always in attendance at the Hospital. Excluding these, the remaining items in the scale proposed for the institution to start with, involve an additional expenditure of Rs 344, (644 – 300), per mensem, may be sanctioned with effect from the date of the opening of the Hospital. The additional Establishment asked for will of course have to come in when the institution develops in due course

19. The proposals can now be conveniently discussed.

Under medical staff there is increase of one Hospital Assistant. This is moderate & considering the change the institution will undergo is not objectionable.

As regards the other staff in the place of 11 men now existing a staff of 35 hands is asked for. Even taking into account the enlargement of the institution this seems too much. It is doubtful if the number of patients will increase three-fold all at once. The first instalment of increase may be from 11 to 20 men nearly cent per cent.

It is not difficult to suggest how the sheets should be applied but the regrouping of the departments may be better done by the officer immediately concerned.

Serial No. 50

The original proposal of the Senior Surgeon regarding the revision of ~~the~~ establishment involved an increase in recurring expenditure of Rs1,147 per mensem and included the foling items.

1. Allowance of Rs200 to Dr.R. Iyengar and " Rs100 to Asst. Surgeon.
2. Rs. 344 on establishment to be sanctioned immediately.
3. The balance, viz Rs 503 on account of establishment to be sanctioned ultimately when the Hospital is in full working order.

Regarding these items, the Dewan ordered that (1) viz., the question of allowances, may lie over, that (3) may be considered as the Institution develops and that No. (2) only need be discussed and sanctioned at present. Both the Councillors agreed to it but as there was an impression that the immediate increase asked for (from 11 to 30 hands) was disproportionately large, further reference was made to the Senior Surgeon, as a result of which he has agreed to reduce his immediate demands by Rs60 reducing the monthly cost from Rs344 to Rs284.

2. Though from the above it will be seen that it was agreed by all to drop item No.(1) viz, allowances to the Medical Officers, the present 2nd Councillor, Mr. D. Devaraja Urs, has again raised the question of allowance to

NOTE—Contd. sheet.

GPB—20,000—20-1-13

11/

G. R. S. 12]

Serial No.

the two Medical officers, ~~the~~ and the Dewan has agreed to sanction the allowances aggregating Rs300 per mensem. The 1st Councillor has not seen the papers again. As this is a scheduled subject the papers should have been submitted to him. If this were done it could be known whether he is still disposed to adhere to the original idea of postponing the consideration of additional allowances to the Medical Officers. As it is, the papers ~~papers~~ have been sent to me for remarks under para 8 of the Government Order of 6-5-1907 before the new aspect of the case has been fully circulated.

3. Now with regard to Dr. R. Iyengar's allowance, I find that an allowance of Rs200 per mensem was recommended for him on at least two previous occasions, viz., once in 1907 & once again in 1908. The present application should therefore be regarded more as a ~~renew~~ renewal of an old application rather than anything rendered necessary by the removal of ~~th~~ the Ophthalmic Hospital to a new building. In any case I am of opinion that for the work ~~regard~~ required to be done the pay of Rs600 is not inadequate. From the latest Administration Report I take the following figures regarding some of our Hospitals.

NOTE—Contd. sheet.

GPB—20,000—20-1-12

15

G. R. S. 12]

General and Revenue Secretariat. | Red File No. 260 of 1910-11

	Serial No.	In-patients	Out-patients	Total Expenditure.
Victoria Hospital		2,688	32,730	1,07,347
Mysore General Hospital - -		1,452	29,681	29,731
Eye Infirmary - - - - - - -		656	9,125	13,984

It will be thus seen the work in the Eye Infirmary as compared with the other two Hospitals is small. If pay Rs600 plus allowance Rs400 is enough for the Victoria Hospital where the number of people treated is nearly 3½ - -- times as large and the expenditure of money is nearly 8 times as large, the pay of Rs600 for the Surgeon in charge of the Eye Infirmary is not low. Of course there will be an increase in the number of In-patients in the Eye Infirmary as the number of beds is raised from 24 to 80; but there cannot be much increase in the number of out-door patients. In fact, the only change will perhaps be that a certain number of patients who are now out-door cases will become in-door ones, the work of the Surgeon thereby becoming easier as the operations and treatment will go on under better conditions.

2. As regards the allowance of Rs100 proposed for the Resident Medical Officer on Rs100 I would point out in the first place that there is hardly any need for a Resident Medical Officer in an Ophthalmic Hospital. I know that in the Calcutta Ophthalmic Hospital there is no Resident Medical Officer. Eye

General and Revenue Secretariat. | Filed File No. 260 of 1910-11

Serial No.

operations are seldom, if ever, operations of emergency, and for severe injury cases which may on very rare occasions come up at odd hours the Superintendent will have in any case to be three sent for. Of course ~~the~~ Medical Officers under the Superintendent may be necessary and one of them may be an Assistant Surgeon as proposed; but what I mean is that no officer need be styled Resident Medical Officer with a disproportionately large allowance equal to his pay. An arrangement with the Victoria Hospital staff for occasional help at odd hours and proper utilization of the 3 Medical Officers should enable the authorities to dispense with a Resident Medical Officer. Of course it would be a convenience if all the Medical Officers reside close by and free quarters may be given to as many as possible. But their services are not likely to be required frequently at odd hours and no case for a large allowance can be said to exist.

5. Coming next to the increase in establishment proposed by the Senior Surgeon, I am sorry to find that he has not been able to see his way to reduce it much further. I am still of opinion that further reduction is possible and should be attempted. The directions in which ~~the~~ reduction may be possible are indicated in Mr. Nanjundayya's minute of 9-2-1912. I would also suggest that both

the items, 2 lascars' and ' 2 sweepers' may not be necessary.

6. The most important principle to be kept in view in regulating Govt expenditure is what the Govt can afford to spend for the object in question. I have in my Quinquennial Review represented that our standard of ordinary revenue is about Rs172 lakhs while the standard of ordinary expenditure is 181 lakhs or nearly 9 lakhs more. This is itself a disquieting feature but to add to it, extra recurring expenditure is being sanctioned almost daily on diverse considerations. Circumstanced as we are at present, our first consideration is Economy. The Finance Department by itself cannot do much for economy unless it receives hearty co-operation at the hands of the spending Departments. It is in this view and not because of lack of appreciation of the high standard of work done and the zeal and efficiency with which it is performed that I earnestly request that some further reduction may be made in the establishment proposed on the lines suggested above.

Extract from the Proceedings of the 280th Meeting of the Council of His Highness the Maharaja, held at Bangalore on the 12th July ~~190~~ 1912

6. Subject. - (Clause x of the Schedule).

Revision of the establishment attached to the Government Ophthalmic Hospital, Bangalore.

OPINION OF THE COUNCIL.

For the charge of the new Hospital, Dr. Ramaswamiengar may, from the date of its opening, be granted a suitable local allowance, which may, at present, be fixed at Rs.100 (one hundred) in consideration of the fact that he has been given a free house and that he is drawing an allowance of Rs.100 as personal Assistant to the Senior Surgeon.

The question of granting an allowance to the Resident Surgeon attached to the Ophthalmic Hospital may be deferred for consideration after the quarters for him are got ready.

As regards the subordinate establishment, the proposals of the Senior Surgeon may be sanctioned with the following modifications:

i. Matron and Head Lascar may be left out, as agreed to by the Senior Surgeon in his letter dated 16th November 1911.

ii. Instead of a steward on Rs.45 and a clerk (for the linen Department) on Rs.20 as proposed by the Senior Surgeon only one official on Rs25 to serve as steward and clerk

GPB-1000-13-5-08

clerk may be sanctioned.

iii. Only one lascar may be sanctioned for the Sanitary Department instead of two as proposed by the Senior Surgeon.

The above modifications will reduce the cost of the additional establishment required for the Hospital to Rs.236 per mensem.

NOTE—Contn. sheet.

TPB—50,000—12-8-10

Submitted to His Highness.

"Paper under disposal" and its enclosure.

61 These papers relate to the proposals of Lt.Col. J. Smyth, Senior Surgeon, for the reorganization of the establishment of the Eye Infirmary, Bangalore, so as to suit the requirements of the Infirmary when it is removed to the New Minto Ophthalmic Hospital.

2. Briefly, the proposal involves an increase in recurring expenditure of Rs.1,147 per mensem, or Rs.13,764 per annum, as per particulars below:-

(1) Allowance of Rs.200 to Dr.Ramaswamiengar and of Rs.100 to the Assistant Surgeon (Resident Medical Officer);

(2) Rs.344 on establishments immediately required;

and (3) Rs.503 on establishments to be sanctioned when the Hospital is in full working order.

2. These proposals have been discussed at length and fully considered as the office notes will show.

3. When the papers came up before me for the

(24

first time, I ordered in August 1911, that the question

Page 4 of notes. of the allowances (Rs.300) might lie over (My mental reservation being that the grant could with better grace be announced by His Highness when opening the Hospital), that the additional establishment to the extent of Rs.503 may be considered when the institution develops and that only the establishment costing Rs.344 per mensem, proposed for the institution to start with, may be sanctioned with effect from the date of opening the hospital.

For details see Statement flagged R.

4. The Financial Department observed with reference to the last item of Rs.344, that in the place of 11 men now existing, a staff of 35 hands had been asked for which seemed too much, and that, as the first instalment of increase, the number may be increased from 11 to 20.

Page 6 of notes

5. The then Second Councillor, Mr. H.V.Nanjundayya, while thinking that the Financial Secretary's opinion may be approved, observed that as the building was contiguous to the Victoria Hospital, if the whole could not be regarded and worked as one establishment, in which case, some further economies may be possible.

Page 7 of notes.

6. The Senior Surgeon Mr. Achyuta Rao was then consulted and he reported that with the exception of the European Matron and a Head Lascar, the other staff asked

Pc

(25

for was absolutely necessary. In this opinion the then First Councillor Mr. K.P. Puttanna Chetty also agreed.

Page 8 of notes

7. The then Second Councillor Mr. H.V.Nanjundayya, to whom the papers were next sent, suggested further reductions in the establishment, and the Senior Surgeon was further consulted with reference to these proposals. He stated that he could not conscientiously recommend any further reduction in the proposed establishment.

Page 9

C.

8. At this stage the papers went up before Mr. Devaraj Urs, the present Second Councillor. He was of opinion that the establishment may be sanctioned, except the European Matron and the Head Lascar. He was also of opinion that the question of allowances to Dr. Ramaswamiengar and the Resident Medical Officer may once for all be decided. He was of opinion that an allowance of Rs.200 and 100 respectively, may be sanctioned to these officers.

Pages 10 – 12 of notes

9. In the circumstances, I agreed with the Second Councillor.

Page 12

10. The papers were then sent to the Financial Secretary for his remarks, as required by the Standing orders of 6th May 1907.

11. The Financial Secretary in his notes dated

Pages 13 - 17 -

(26

3rd May 1912, went into the case at length and expressed the opinion that there was no case for the grant of the allowances and that further reductions should also be made in the establishment.

12. The matter was taken up for consideration in Council and the opinion of the Council is contained in the accompanying extract of Council proceedings. The Council is of opinion,

1) that Dr. Ramaswamiengar may be granted a local allowance of Rs.100 per mensem for charge of the hospital besides continuing to occupy Government quarters rent free;

2) that the question of allowance to the Resident Surgeon be deferred till quarters are got ready;

3) that as regards establishment, Matron and Head Lascar be left out and instead of a Steward on Rs.45 and a clerk on Rs.20, only one official on Rs.25 to serve both as steward and clerk be sanctioned. Also that only one instead of 2 Lascars asked for, be sanctioned, thus reducing the total cost from Rs.344 to Rs.236 per mensem.

13. The papers were again forwarded to the Financial Secretary as required by the Government Order of 6th May 1907. The Financial Secretary has stated that he has nothing to add to his note of 3rd May 1912, and that if the local allowance of Rs.100 is intended to be

(27

personal to Dr. Ramaswamiengar the fact may be made clear. He also states that the post is one which is intended to be held by a Specialist appointed on definite terms and a local allowance in addition to pay need not be fixed for the appointment.

14. I submit the matter for orders.

Med File No. 260 of 1910-11

Serial No. 65

Draft G.O Subd for appl or other orders with refee to the following points:—

(1) In the proposition Statement, the designation of Dr Reeves the officer in charge of the Kurnto Ophthalmic Hospl is shown as "Superintendent" instead of "Oculist", the present designation of Dr Ramaswamayya. It is a question whether the change in designation should be referred to in the order

Govt have not ordered the change in the designation. Hence Council resolution in this is not necessary SPA

(2) There is at present no Resident Surgeon for the Eye Infirmary. It is a point for consideration whether it is necessary to state in the G.O that one of the Med officers attached to the Ophthalmic will be styled "Resident Surgeon", or "Resident Med officer". Vide para 2 of the draft

As the question of allowance is now disallowed, it is not necessary to refer to this matter in the draft at present SPA

(3) There are now two peons (one on Rs 8 the other on Rs 7) employed in the Govt Eye Infirmary. But there is no peon on Rs 8 sanctd for the Kurnto Hospl. The present peon on Rs 8 has therefore to be otherwise provided for the Senior Surgeon has provided Rs 8 for one of the peons, in his proposition Statement but the H Branch has taken only Rs 7 to be the pay of the peon. Vide Statement appended to

NOTE—Contn. sheet.

GPE—61,000—17-6-12.

R. S. 12]

General and Revenue Secretariat. | Med File No. 260 of 1910-11.

Serial No.

para 18 of the notes

(4) For the ~~Lines~~ Supply Depôt one attendant on Rs 8 ~~was~~ has been provided for in the proposed Statement; but in the Statement prepared in Pl Branch (vide para 18 of the notes) one peon on Rs 7 only has been included under "Supply Depôt".

(5) The no: of Lib Asst Surgeons of all grades was fixed recently at 183 in G.O no: 3078-9 / med 236-09-2 dd 30.10.11. This number includes two Lib Asst Surgeons for the Eye Infirmary. Thus it is unnecessary to sanction the entertainment of an additional Lib Asst Surgeon.

(6) ~~One~~ only of the Lib Asst Surgeons attached to the Govt Eye Infirmary gets an allowance of Rs 10 per mensem under G.O no: 932-33 / med 725-97 dd 19.7.01. If, as has been sanctd, the other ~~Depôt~~ Lib Asst Surgeon also should be given a similar allowance, necessary addition will have to be made in para 4 of the draft-order.

(7) The Scale ~~shown~~ as sanctioned in the draft-Statement appended to the draft-order is based on the Statement prepared by the Pl Branch

This addn has to be made as the local allowance of 10 Rs to the 2nd Sub Asst Surgeon is included in the sum of Rs 236 mentioned in the Council Letter

NOTE—Contn. sheet.

Serial No.

and appended to para 18 of these notes.

(8) As the pay of Lib Asst Surgeons has since been revised, the minimum pay of the Lib Asst Surgeon to be newly entertained for the Eye Infirmary will be Rs 30 & not Rs 25 only as shown in the proposition Statement & and taken into account ~~in arrive~~ for calculating the extra cost involved in the proposition. (Leaving out the pay of the Lib Asst Surgeon & the allowance of Rs 10 ~~proposed~~ proposed for him, the extra cost including the allowance to the Superintendent amounts to Rs 301, against Rs 236 ~~entertained~~ entered in the Council resolution. or 336 R including the allowance.

* This does not include Rs 100 - allowance sanctd to Supdt

OFFICE OF THE COMPTROLLER, MYSORE GOVERNMENT,

Dated Bangalore, the 21st June *1911*.

FROM

J. S. CHAKRAVARTI, ESQ., M.A., F.R.A.S., etc.,
Comptroller to the Government of His Highness the Maharaja of Mysore.

To

C.S.Balasundaram Iyer Esq.,B.A.,
Secretary to the Government of Mysore,
General and Revenue *Department.*

SIR,

I have the honour to forward herewith in originals, Senior Surgeon's letter No.G.585 dated 19th May 1911 addressed to you, together with Proposition statement received therewith on account of the reorganisation of the establishment of the Government Eye Infirmary (the New Minto Opthalmic Hospital). As the proposition statement received does not show the correct average cost and the increases over the present scale, a fresh statement has been prepared by this Office, and this statement may, it is requested, be substituted for the one sent by the Senior Surgeon.

2. The proposition is to grant a personal allowance of Rs.200/- to the Occulist and a charge allowance of Rs.100 to the Sub Assistant Surgeon now in the Eye Infirmary who is proposed to be made the Resident Medical Officer, and to increase the strength of the staff in the Hospital so as to suit the anticipated requirements of the institution ~~where~~ when it fully develops. According to the above statement the ultimate financial result of the proposal will be an addition of Rs.1,147/- per mensem or Rs.13,764/- per annum to the recurring expenditure of the State. But the Senior Surgeon states that the full scale

Subject-matter.

Forwarding in original Simon Surgeon's letter No. 5585 dated 19-5-11 with proposed Statement and Memo. of the re-organisation of the Estt.

GPB—1,000—28-6-09

proposed will not be employed all at once, but will gradually be introduced as the Hospital develops. The approximate cost on account of this Establishment to begin with will, as proposed by the Senior Surgeon in his letter under reference, be an addition of Rs.644/- per mensem or Rs.7,728/- per annum (Vide details given in the last column of the statement prepared by this office). The difference between this and the ultimate cost is Rs.6036 per annum.

3. Without questioning the utility of this expenditure, I beg to state that, since arrangements are now being made for curtailing the expenditure of the State, it is highly desirable that no proposal tending to increase the permanent recurring expenditure of the ... State should be sanctioned unless such addition is absolutely necessary in the interests of the good administration of the State and unless corresponding savings can be effected in other directions.

I have the honor to be,

Sir,

Your most obedient servant,

J. Chakravarth

Comptroller.

Office of Senior Surgeon, Mysore Gov^t

Dated, Bangalore, 19.5. 1911.

From

Lt.-Col. John Smyth, M.D., I.M.S.,
Senior Surgeon with the Government of
H.H. the Maharaja of Mysore, Bangalore.

To

C.S. Balasundaram Iyer Esq. B.A.,
Offg Secretary to the Govt of H.H. the
Maharaja of Mysore, Genl & Rev Deptts.
Bangalore.

Thro' the Comptroller
in Mysore

Sir,

It will be in the recollection of His Highness' Government that Dr. S.V. Ramasawmy Iyengar was deputed to Madras to study the economics of the Government Ophthalmic Hospital there. As the result he has drawn up a scale of establishment which, I have modified somewhat & now have the honor to enclose for the information & orders of His Highness Government. The proposals are sound & not extravagant for the Hospital when full.

2. It is not proposed to take on the whole personnel now asked for from the first, but only gradually and as the Hospital fills up. From the beginning however, it appears to me that,- (i) of the Medical Staff proposed-

1 Superintendent
1 Resident Medical Officer
2 Hospital Assistants, and
1 Compounder - will be necessary.

(ii) " Nursing Staff-

1 Matron
2 Native Nurses
3 Male Ward servants, and
3 Female --do--

(iii)

Thro the Comptroller

From THE SENIOR SURGEON WITH THE GOVT. OF MYSORE, Bangalore.

SUBJECTS.

Forwarding proposal
Statement for the establishment
required to the Minto Opthalmic
Hospital.

4

(iii) of the Supply Department-

1 Steward, and
1 Peon.

(iv) " Linen Department-

1 Clerk, and
1 Peon - The Clerk to be in charge of the Superintendent's Office also,- The Matron to be in supreme charge.

(v) " Kitchens-

1 Brahmin Cook, and
1 Sudra Cook - each with an Assistant.

(vi) " Sanitary Department-

1 Male Toti, and
1 Female Toti - (the Hospital will be on the water closet system);
1 Head Lascar
2 Lascars
2 Sweepers
1 Dhobie
1 Gardener, and
1 Waterman.

(vii) " Superintendent's Office-

1 Daffedar, and
2 Peons (one of whom would be specially attached to the Resident Medical Officer, the other to act as day hall peon), but all would work at the Out-patient room in the mornings.

(viii) " Out-patient Department-

1 Female attendant
1 Attendant for writing tickets,
1 Attendant for Operation Room,
1 Gate Keeper, and
1 Night hall peon.

3. It would be noted that the Superintendent has inserted an item of Rs 200 for himself as Personal Allowance. In this office No.G.244/2 dated 28-9-1906 and again in No.726 dated 4-6-1908, a representation was made to His Highness' Government on this matter, and Government were pleased to say that for the present they did not see that an allowance was

called

5

called for. It appears to me however that things will be quite different when the LINTO OPHTHALMIC HOSPITAL is opened. The work must increase greatly and Dr. Ramasawmy Iyengar will have attained about 20 years' service. The work done hitherto under such disadvantageous conditions should not be forgotten whereby ophthalmic work has become very popular, and the press for his help has already far exceeded the accommodation now available. The whole aspect of the circumstances will have changed beyond recognition from what they were when Government passed their last order on this matter - & it appears to me the allowance will be fully justified. It must also be remembered that Dr. Ramasawmy Iyengar went through his Edinburgh courses entirely at his own cost, and subsequently, in 1903 he went to England again at his own expense and studied Ophthalmology as a post graduate course at the Moorfield's Ophthalmic Hospital, one of the foremost hospitals in London. He also took a Continental trip to some of the best French, German & Austrian Ophthalmic Hospitals. All of which must have put him to great expense, & all done entirely in order that he might be able to do the best work possible for the Government of Mysore.

4. I would recommend, therefore, that Government will be pleased to sanction the entire proposition statement. As I have said above, the whole of the items will not be required for a considerable time, but sanction <u>in toto</u> will save a lot of references later, and of course anyhow, no new item above what I have laid down as the minimum to begin with can be taken on without special reference to Government. The Victoria Hospital was opened under these conditions & they were found a great convenience.

I have the honor to be,
Sir,
Your most obedient servant,

M.D.
Lt.Col.I.M.S.
Senior Surgeon, Mysore Government.

and the ~~ultimate~~ The increase
of one Hospl Asst provided for under
Medical Staff is not objectionable
in view of the Change the Eye Hospl
will undergo. As regards the other
Staff, 35 hands are asked for
in place of 11 now existing
and this increase of establt ~~seems~~ is too
much even taking into account
the enlargement of the institution
and that an increase of ~~from~~ hands or less
~~from 11 to 20~~ as a first instalment
should be sufficient to meet the requirements
~~of the case~~ ~~very~~ as it is not likely
that the number of patients seeking
treatment in the Hospital will
increase three-fold all at once.

2. ~~I am not to state that~~ The
new Ward to Ophthalmic Hospl
Building being contiguous to the
Victoria Hospital, ~~it would not be a proper~~ You may also consider
~~how to provide~~ if it is convenient and
feasible to regard the Whole
as one establishment and ~~make~~

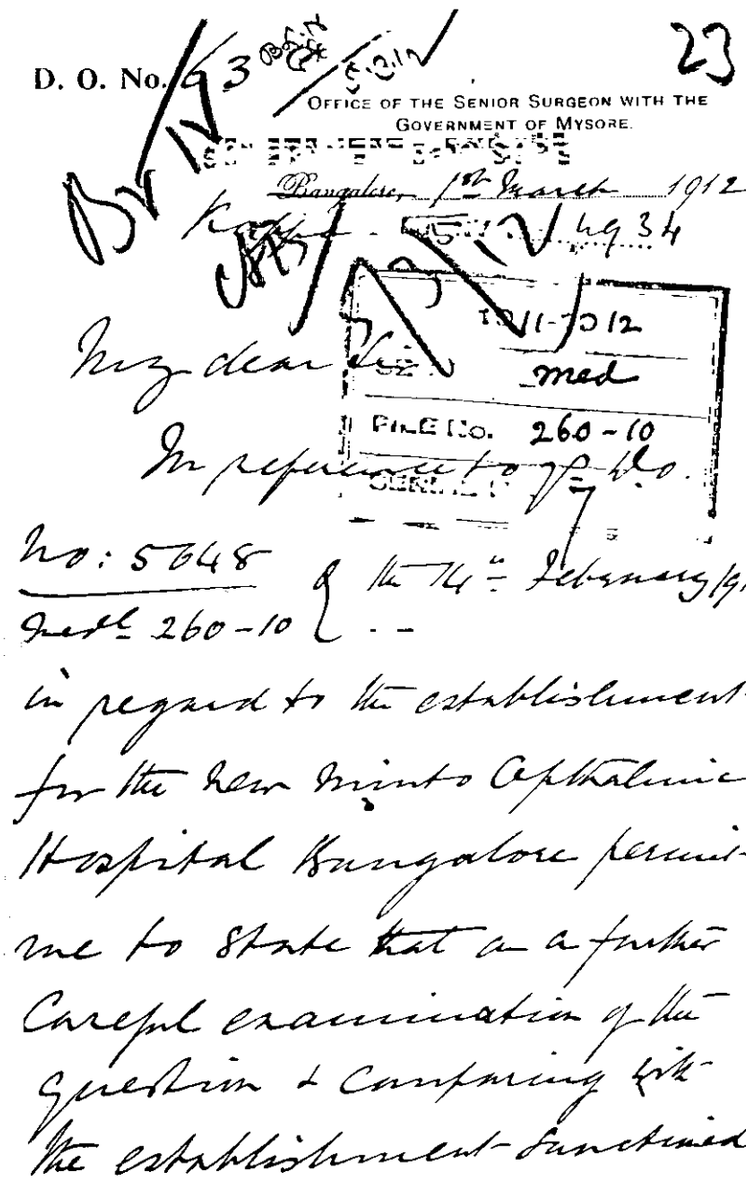
Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]



D. O. No.
OFFICE OF THE SENIOR SURGEON WITH THE GOVERNMENT OF MYSORE.
Bangalore, 1st March 1912
My dear Sir
In reference to your D.O.
No: 5648
dated 260-10
in regard to the establishment
for the new Minto Ophthalmic
Hospital Bangalore permit-
me to state that on a further
careful examination of the
question I consider the
the establishment sanctioned

N B --Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

GPB—35,000—21-4-09

for the Victoria Hospital
I find I cannot
conscientiously recommend
any further reduction.
Victoria Hospital has 134 beds
and
the Irwin Ophthalmic Hospital provides
for 80 beds.
The bulk of eyepatients is in the
majority of cases a very
helpless one & I cannot-

therefore suggest the retention
of the remaining attendants
for the out-patient department
from 3 to 2.

Yours &c

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 1262—B. & R., dated the 21st June 1911, from the Comptroller, forwarding with his remarks Senior Surgeon's letter (in original) No. G. 585, dated the 19th May 1911, together with a proposition statement for the reorganization of the establishment of the Government Eye Imfirmary, so as to meet the requirements of the new Minto Ophthalmic Hospital, Bangalore, when it is opened.

2. Correspondence ending with letter No. G. 203, dated the 16th November 1911, from the Senior Surgeon, stating that the establishment asked for on account of the Minto Ophthalmic Hospital, except the European Matron and a Head Lascar, is absolutely necessary.

No. 1986-7—MED. 260-10-8, DATED BANGALORE, 31ST AUGUST 1912.

ORDER THEREON.— Government are pleased to sanction a local allowance of Rs. 100 per mensem to Dr. S. V. Ramaswamiengar, Government Oculist for the charge of the new Minto Ophthalmic Hospital with effect from the date of opening of the Hospital. The allowance will be personal to Dr. Ramaswamiengar; and he will be allowed to continue to occupy rent free the Government quarters in which he is now living.

2. The question of allowance proposed to the Resident Surgeon of the Minto Ophthalmic Hospital will be deferred till quarters for him are got ready.

3. As regards the subordinate establishment for the Hospital, the proposals of the Senior Surgeon regarding the establishment that is immediately required are sanctioned with the following modifications :—

(1) Provision for a Matron and Head Lascar included in the proposition statement will be omitted as agreed to by the Senior Surgeon.

(2) Instead of a steward on Rs. 45 and a clerk (for the Linen Department) on Rs. 20 per mensem only one official on a pay of Rs. 25 to serve as Steward and clerk is sanctioned.

(3) Only one Lascar is sanctioned for the Sanitary Department instead of two as proposed by the Senior Surgeon.

(4) As the *cadre* of the Sub-Assistant Surgeons as sanctioned in Government Order No. 3078—Med. 236-09-2, dated 30th October 1911, already includes two for the Government Eye Infirmary, sanction to an additional Sub-Assistant Surgeon is unnecessary. Both the Sub-Assistant Surgeons will draw a local allowance of Rs. 10 per mensem while attached to the Minto Ophthalmic Hospital.

4. The staff of Medical Officers and Subordinates for the Minto Ophthalmic Hospital as now sanctioned will be as shown in the appended statement.

5. The Senior Surgeon is requested to provide the requisite funds to meet the extra charge entailed by the reorganization during the current year by a reappropriation of the sanctioned grants in the current year's Medical Budget.

K. R. SRINIVASIENGAR,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Senior Surgeon with the Government of Mysore.
The Comptroller, Mysore Government (through the Financial Branch).

Exd.—C. R.
